

#KnowTheFacts 2.0 – Marijuana Legalization Social Media Campaign Toolkit **November 2021 Edition**

Thank you for downloading this social media campaign designed by teens for teens. This toolkit includes the post order, language, images, and hashtags. We would love it if you tagged us in the posts so we can engage with you.

Please Note: The laws around the legalization of marijuana and the regulations around sales are constantly evolving. Please make sure you have the most up to date version of the toolkit. Not sure? Call us at 201-740-7069.
